Competitive event: Essays on Technology

Level: High School

LEADERSHIP EXPERIENCES (specific to a competitive event)

- * Took advantage of a research project in Honors English and developed a research based, unbiased essay on the best suited 3D printer for younger students and enthusiasts. The essay was graded using a similar rubric to the rubric that TSA uses, with constructive criticism provided (Know).
- * Served as the chapter TSA editor, where students could submit portfolios and presentations, which I would then critique and help to edit, helping students develop superior work (Do).
- * Met with two other freshmen students competing in Essays on Technology and informed them on what they will need to bring, what to expect, what they need to know, and the best method for developing a great essay (Do).

LEADERSHIP EXPERIENCES (connected to one or more of these categories: *Leadership Roles; Community Service/Volunteer Experiences; Leadership Development/Training; College/Career Planning*)

- * Worked hard to raised money for my school's TSA by working with a local restaurant, and by designing, prototyping, producing, and distributing holiday decorations from scratch to sell at "farmers-market" type events (Do).
- * Served as a volunteer ski instructor during the winter of 2017 to teach young children (5-6 years of age), how to ski down the mountain (Do).
- * Participated in many STEM outreach events by hosting TSA activities at lower level schools or presenting on TSA at our current school to younger visitors, leading the way for TSA (Do).
- * Gave an informative presentation on the event, Structural Design and Engineering, to the WTSA at the leadership conference at the Microsoft center (Know).
- * Served as my chapter's TSA president, forming agendas for every TSA meeting, hosting fundraisers, ordering materials for my students, and more (Do).
