

TSA LEAP LEADERSHIP RESUME – TEAM EVENT

The resume must be typed using 11pt Arial or Calibri font. For more information about how to complete the resume, visit this link: (<http://www.tsaweb.org/LEAP-competition-engagement>)

TEAM IDENTIFICATION

Team ID: T3700

Competitive event: Webmaster

Level: High School

LEADERSHIP EXPERIENCES (specific to a competitive event)

- * Members of the group participated in a class called Computer Science Principles, teaching them the basics of programs such as HTML, CSS, XML, XSL, and more (Know).
- * Members of the group assessed websites created by other students in their computer science class, as well as the code that goes with the websites, to collect knowledge of techniques to use on their own website (Know).
- * Members created their own websites in their Computer Science class as an assignment, and the group members voted on which website should be used as a template for their final TSA website (Do).
- * All members contributed multiple hours in a short period of time for the completion of the website, following through on all commitments (Be).

LEADERSHIP EXPERIENCES (connected to one or more of these categories: *Leadership Roles; Community Service/Volunteer Experiences; Leadership Development/Training; College/Career Planning*)

- * Team members served as their soccer team captain, tennis manager for girl's tennis, or ski instructor for children of five to six years of age (Do).
- * Team members participated at the regional WTSA competition at their closest regional high school (Do).
- * Team members participated in the WTSA leadership conference at the Microsoft Center, some members giving a presentation on Structural Design and Engineering (Do).
- * Team members worked at a STEM or TSA outreach events, presenting on our school's TSA to younger children (ages 6-14), recruiting members for our school's TSA in the following year (Do).
